OUR TOWN

An American classic by Thornton Wilder
Chelsea MI

Wednesday May 12, 2010

Winner of the Pulitzer Prize in 1938, this icon of American dramatic history spans thirteen years in the town of Grover's Corners, a quintessential small community with characters reflecting the hopes and dreams, the failures and successes, of people everywhere. Guided by the stage Manager, Wilder illustrates the universality of the simple, yet meaningful lives of all people in the world in order to demonstrate the value of appreciating life. We enjoy this play in The Purple Rose Theatre, an intimate theatre owned by Michigan's own, Jeff Daniels.
